CONTENTS

Foreword .......................................................... 1

JAIRAJPURI, M. SHAMIM, On the synonymy of Telotylenchus Siddiqi, 1960 with Tricho-
tylenchus Whitehead, 1959 (Nematoda : Tylenchida) .............. 3

SIVAKUMAR, C.V. & SESSHADRI, A. R., Life history of the reniform nematode, Roty-
lenchulus reniformis Linford and Oliveira, 1940 .................. 7

DASGUPTA, D. R. & SESSHADRI, A. R., Races of the reniform nematode, Rotylenchulus
reniformis Linford and Oliveira, 1940 .......................... 21

SIDDIQI, M.R., Structure of the oesophagus in the classification of the superfamily
Tylenchoidea (Nematoda) ........................................ 25

KOSHY, P.K. & SWARUP, GOPAL, Investigations on the life history of the pigeon-pea cyst
nematode, Heterodera cajani ...................................... 44

SHUKLA, V. N. & SWARUP, GOPAL, Studies on root knot of vegetables VI. Effect of
Sclerotium rolfsii filtrate on Meloidogyne incognita ................ 52

EDWARD, J.C., MISRA, S.L., PETER, E. & RAI B.B., A new species of Criconema associated
with pomegranate (Punica granatum L.) ........................ 59

GILL, J.S. & SWARUP, GOPAL, On the host range of the cereal cyst nematode Heterodera
avenae Woll., 1924, the causal organism of 'molya' disease of wheat and barley in
Rajasthan, India .................................................. 63

OOSTENBRINK, M., Quantitative aspects of plant-nematode relationships .......... 68

Khan, E. & NANNIAPPAN, C.K., Trophurus similis sp. n. and Trichotylenchus astriatus sp. n.
(Nematoda : Tylenchoidea) from Mysore, India .................. 75

SINGH, R.S. & SITARAMAIAH, K., Control of root knot through organic and inorganic
amendments of soil : Effect of sawdust and inorganic nitrogen ........ 80

Short Communications :

Khan, Abrar M., SAXENA, S.K. & Khan, M. Wajid, Interaction of Rhizoctonia solani
Kühn and Tylenchorhynchus brassicae Siddiqi, 1961 in pre-emergence damping-off of
cauliflower seedlings ............................................. 85

SHUKLA, V.N., NATH, R.P. & SWARUP, GOPAL, A modification of Minteer's device for
rapid selection of large number of nematodes and eggs from aqueous suspensions 87

KOSHY P.K. & SWARUP, GOPAL, On the number of generations of Heterodera cajani,
the pigeon-pea cyst nematode in a year .......................... 88

SIVAKUMAR, C.V. & SESSHADRI, A.R., Effect of host on the population development and
fecundity of the reniform nematode, Rotylenchulus reniformis ........ 91

MIDHA, S.K., CHATRATH, M.S. & SWARUP, GOPAL, On the feeding of Anguina tritici on
growing point of wheat seedlings .................................. 93

MUKHOPADHYAYA, M.C. & DALAL, M. R., Effects of two nematicides on Tylenchulus
semipenetrans and on sweet lime yield .......................... 95

YADAV, B.S. & VERMA, A.C., Cereal cyst eelworm and other nematodes associated with
maize in Rajasthan ................................................. 97
